

Yarraman Oaks Primary School

Community Opportunity Diversity

October 2023

Dear parent/guardian,

Yarraman Oaks Primary School is looking forward to another great year of teaching and learning and would like to advise you of Yarraman Oaks Primary School's voluntary financial contributions for 2024.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school this support has allowed us to offer a wider offering of subjects and special curriculum experiences; enhanced digital learning opportunities; faster WIFI and internet.
